Brief Description and Experience

Mrs. Hemal Kamat, born on 5th June 1973. She has completed her (1) M.A (Social Work) from DAVV, Indore in 1995 securing 1st Division (2) Diploma in Human Resource Development from AIIMS, Madras (1996) (3) Advance Diploma in Computer Application from AISECT, Indore (2001)

(4)Yoga Ratna (8 month degree course) from Patanjali Yog vidhyapith, Indore (2001).

Since childhood she used to serve her services for the society. During Post graduation in social work she did her Dissertation in District Jail indore, She visited jail for one month to know actual reason of women crime. It was her genuine dedication towards women. After post graduation from Social work she got selected in Total Literacy Campaign, Jhabua as asst. director. During her small tenure she got promoted as additional charge of District director of Mahila Sanjha manch. While working with TLC, Jhabua she also got selected in NTPC- R&R deptt, Gajiabad as sociologist. She worked there for 6 months. As she was not made to work under pressure. Since childhood she loves to work for grass root level and for women. She left that job. After marriage from 1996 to 2010 she worked with Voluntary organization and serve for tribal community. She was associated that time with many state and national level Network. She has served in development sector for more than 20 yrs dedicatedly and known as genuine, grass root level worker who started from zero and now running and organization. She is founder member of CONCEPT Society, which is established in September 2005. She started working with many agencies, funding organization and made her image as crystal clear catalyst of society. She is role model of many women and youth. She has good married life. Her better half support her for all the her decision. She has 1 child studying B.Tech mechanical.

“CONCEPT SOCIETY” launched in 2005. It is national level developmental organization registered under Society registration act, FCRA, ISO and 80 G of Income Tax Act.

Acknowledging Women and Child Development Department by entertaining health issues of the most popular and well known Armman project – Mmitra had been launched for the field region of Dewas to cover and deliver telephonic information of timely health status information of both mother and child for prevention of more than **20000 ANC and PNC women** and awareness to avoid any health atrocity.

Our concern is presently handling Skill development and management of more than 3000 women residing in the villages underlying Dewas district and Indore division. It focuses on an integrated, holistic and participatory approach to support rural people Empaneled with **Credibility Alliance, IICA- Ministry of Corporate Affairs, Tata Institute of Social Science, Mumbai under National CSR Hub., Guide star India, BSE Sammaan.**

More than 80 Community Based Organisations and federation are working under the name of CONCEPT. In all putative sectors lying for the substantial requirement in the poverty lying areas of Dewas, Dhar and Indore region planned and executed at regular intervals of time to provide facilities under the heading – horticulture, veterinary, health camps insisting on women and child health, hygiene programmes, water conservation and storage programmes, major camps over legal aids and press meetings for direct rural exposure.

Among various multidimensional programs for providing employment to the people, I also supported the beneficiaries to establish Micro Enterprising Unit. Natural resource management and Agriculture resource management led to **construction of stop dam, check dam and more than 1000 farm field bunding and 3000-sapling plantation. Voluminous Soil and Water Conservation structures constructed and more than 300 acre land treated. Storage of Water in dam is 1, 60,000 cubic Meter water, which is equal to 160 million liter in Achana Dam, Dhar.**

More than **150 Women** started their own micro Enterprises and more than **1000 women and youth are working on job role** with various concern.

IBM, CSC international team adopted and worked with organization for one month for preparing Business model of ‘Women Resource Centre’ in 2014 and Digital Literacy Module in 2018 under my initiative.

Developed various IEC material on various emerging issues, Publication on developmental issues.

FORMED DISTRICT MAHILA SANJHA MANCH

District Mahila Sanjha Manch of 1290 villages was formulated and that also awarded me the **directorship** of the same.

HEMAL KAMAT

A trailblazing personality in the field of socio-economic development in Madhya Pradesh. She has become the voice of thousands of girls and women through her innovative programmes to promote sustainable development, good governance and especially gender equity by ensuring the rights of Adivasi and dalit women. She has enhanced the economic capabilities of marginalized women through Livelihood Generation and Digital Empowerment and far reaching reproductive health interventions.
